

# AR-Based Historical Exploration

Our innovative app offers a unique and immersive way to explore the rich history of Hyderabad. By utilizing cutting-edge augmented reality technology, users can interact with iconic landmarks in a way that is both educational and entertaining. As you point your device's camera at designated target images, the app will overlay 3D models and detailed information onto the scene, transporting you back in time and providing a deeper understanding of the city's past. Whether you are a history enthusiast, a tourist, or simply looking for a new and exciting way to experience Hyderabad, our app offers a truly unforgettable journey through the city's rich heritage.

## Features

1. Interactive 3D models: See historical landmarks come to life.
2. Engaging storytelling: Learn about the history and significance of each site.
3. Guided exploration: Discover nearby points of interest.
4. Convenient amenities: Find restaurants, restrooms, and more.

## Benefits/Impact

1. Educational: Provides an engaging and informative way to learn about Hyderabad's history.
2. Tourist-friendly: Offers a unique and convenient experience for visitors.
3. Cultural preservation: Helps to promote and preserve Hyderabad's historical heritage.
4. Interactive learning: Encourages active participation and exploration.
